STARMARKER

- Constructed of precision machined aluminum components for durability
- Designed for industrial marking
- Refillable and able to be completely disassembled for cleaning, repair and replacement of o-ring and gaskets (see parts diagram)
- Replaceable felt tips (English thread) screw onto the valve stem and are available in round or chisel point styles
- Pressing down on the felt tip opens the valve and feeds ink to the tip
- A viton o-ring ensures leak proof valve operation
